1. The locations of some Soviet units in the Timisoara area are as follows:
  - a. Reportedly, there are about two Soviet divisions in the Timisoara area.
  - b. A Soviet bridge construction unit is located about six kilometers south of Timisoara in the Groc forest on the right bank of the Timis River. Their equipment includes 200 large metal pontoons installed on mechanical platforms (sic).
  - c. A regiment of light armored cars is located in a grove one kilometer northeast of Paciul Nou and 16 kilometers southwest of Timisoara along the Timisoara-Paciul Nou road at a point 24 kilometers from the Yugoslav border.
2. One Soviet motorized artillery division is located in the 93 Infantry Regiment barracks.
3. Approximately one Soviet motorized regiment and a Soviet military school are located at Lipova.
4. One Soviet infantry brigade is located in the barracks of the former 13 Galarasi Regiment at Lugoj.
5. One Soviet infantry division is located at Cluj.
6. The MVD headquarters for the entire Balkan area is reportedly located at Craiova.
